PRESIDENTS REPORT

Tasports Maritime Day
Saturday, 18 January 2020

Audrey Hamer
President | KIRC

A fun, successful day was had by all for our annual King Island Dairy Day, weather was favourable until the end of the day when our 2 charter flights for the jockey's, drivers and official's were about to board the rain came down quite heavy, so they would have had a wet trip home. I received lots of complements & messages on what a fantastic day we put on once again. Thank you to all those that put so much time & effort in to make the day happen. Congratulations to all the winners for the day.

Welcome all to our 6th meeting for the season being Maritime Day with our 2 major sponsors for the day being Tas Ports and Bass Island Line. Tas Ports have been long term sponsors and BIL have taken over from past SeaRoad Shipping, so very big thank you for your continued financial support, to a local non profit club which brings so much social interaction and boosts our local economy in so many ways over the spring and summer months here on the Island.

Big thank you to our other loyal long term sponsors for today and to our new sponsors our famous Channel J, and the hard working shearer boys Monty/Fields and Noel Cunningham horse chiropractor/masseuse. Thank you Max & Donna (KI Seafoods) for sponsoring & catering for the quests in the Williams Brother Post again this season. A great feast of local produce is guaranteed.

Our feature race is the well sort after Ern Chitts Bracelet once again kindly donated by Wayne & Gwen Whatley, the long distance 2200mt race always seems to be a crowd pleaser. Be sure to read the history of the family.

Be sure to check out the Premiership tables, and browse through all our adds etc., and one is an advert for new caters as Cody & Alicia Whiteman are retiring for now after last race this season. Thank you for doing such a great job, you will be missed.

Here's hoping for another fun, successful day for our 2nd last meet for this season.

Big Ships & Little Boats

Stay safe in Tasmania's commercial waterways. Larger ships at sea travel quickly and cannot always see smaller boats.

- When in a commercial shipping channel, always give big ships room and turn on your AIS.
- If you can't see the bridge of a ship, the Master can't see you.
- If a ship is flying code flag H (right) it signifies it is under pilotage control and you must keep clear at all times.

ERN CHITTS BRACELET

The race is named after Ern Chitts in acknowledgement of his long involvement in King Island racing which spanned from the early 1900's to the 1950's.

As a horse trainer and owner, Ern loved his racing and won many races including training two King Island Cup winners.

In 1948 he trained his son-in-law's (Roy Whatley) horse Centre Fire to a win and won in 1950 with Battle Fray. He also owned a smart galloper named Lady Elsee.

For over 50 years his grandson, Wayne Whatley and his wife Gwen have donated the bracelet to the winning owners and they are proud and grateful that the Racing Club still recognises Ern's contribution to King Island racing.

Enjoy a cold drink from the
Col Cotter and Reg Groom Bar
next to the saddling paddock or at
the top bar in the MF Best Stand
